5.0 RULE 5 HEAT SYSTEM

Wakeboard competitions will use a heat system. The running order for the first round of competition will be randomly selected by either computer or drawn from a ballot in order to compete in individual heats. The number of riders in each is dependant on the total number of riders entered.

No heat shall exceed 6 riders, where possible heats of 4 or 5 are preferred.

An equal amount of riders from each heat will then advance to the semi-finals and finals. The LCQ, Semi-finals and Finals will be selected from placement **not** scores.

Advancing riders will be seeded from placement and then heats will be selected using the following method.

Open Division: The top 8 men & top 4 women listed on the current IWWF Wakeboard World Cup Overall Standings List will be seeded in the first round of competition in the Men's & Women's Open events. The running order for all other riders in the first round of competition will be randomly selected by either computer or drawn from a ballot in order to compete in individual heats.

The number of riders in each heat is dependent on the total number of riders entered. There will be a maximum of 6 riders in each heat. A percentage of the riders from each heat will then advance to the semi-finals and finals. The running order for the LCQ, Semi Finals and Finals will be selected from placement and NOT scores.

All Finals will comprise of 6 riders, in the event of a withdrawal, injury or disqualification the rider will not be replaced or substituted. The final heat will proceed with fewer riders.

The Last Chance Qualification round may or may not be used within the competition, dependent on time and numbers.

See Annex 1 for the Official Heat System

13.0 **RULE 13 - EQUIPMENT**

13.1 **General:**

13.3 **Towlines:**

Riders just provide their own handles and ropes which must be of a non-stretch material.

13.4 **Helmets:**

Riders must wear a suitable helmet if they choose to hit any of the obstacles in the wakeboard course. If a rider hits an obstacle without a helmet, he will be disqualified from the competition. Any rider who chooses to remove their helmet must dispose his helmet in a safe and timely manner.

13.6 **Damaged Equipment:**

A rider is fully responsible for his personal equipment and should have a spare board, fully assembled with bindings and fins, at his disposal should any damage occur. In the event that a rider realises his equipment has been damaged, he may throw the handle to indicate that he wishes to repair his equipment. This will, however, constitute one fall if it occurs in the wakeboard course. If a rider falls in the wakeboard course due to his equipment being damaged, it will also constitute one fall. If a rider needs to stop his/her ride in the wakeboard course or before the start of his/her second pass to repair his/her equipment, it will also constitute one in-course fall. The Chief Judge will have the final say as to whether the equipment has failed. If a rider has damaged his equipment, he will have four minutes to repair the equipment. The damaged equipment must be repaired at the starting dock. The time begins when the rider gets onto the starting dock.

The rider must have both feet back in his bindings before the four minutes elapses or his routine is over. The boat will then tow the rider from the starting dock to the location of the fall or handle-throw, come to a complete stop and then resume the routine.

14.0 RULE 14 RE-RIDES

It is the sole responsibility of a rider to request for a re-ride.

When unfair conditions occurs, which, in the opinion of a majority of the Judges, adversely affects a rider, he shall be granted the option of a re-ride only on the passes affected. Re-rides will not be granted if a rider's personal equipment fails.

Re-rides must be taken immediately. If a rider is given a second re-ride, he may elect to take a five-minute rest, during which the next rider in order will perform his routine. The re-ride shall be taken at the conclusion of the rider's routine during which the five- minute rest period expires.

Requests for re-rides may be initiated by a Boat Judge for the event before the next rider starts or may be initiated, as soon as possible, by the rider or his team representative and shall be decided as soon as practicable thereafter. If, in the opinion of the Boat Judges for the event, the request was not initiated as soon as possible after the rider has ridden, the request shall be denied.

Re-ride requests will not be permitted if they are based on variations in weather or water conditions.

A rider who wishes to request a re-ride while they are on/in the water he/she should make the request to the head judge in the boat, a decision will be made by the majority of judges in the boat make a protest while on the water.

15.0 RULE 15 PROTESTS

Protests shall be made to the Chief Judge only by a rider or team representative. Protest must be made in writing, must state the reason(s) for the protest and quote the relevant rule number(s), and must be filed as soon as possible, but no later than 20 minutes after the occurrence or after the results of the event are announced.

The rider or team representative will come to the Chief Judge's station and get an Official Protest Form to make the protest. The rider or team representative will then bring the Official Protest form back to the Chief Judge for review. After the Chief Judge has reviewed the protest and score sheets, he will meet with the Boat Judges to discuss the protest if he deems necessary. The Boat Judges will meet with rider to discuss the protest if the Chief Judge deems necessary. Actions may then be taken by the Chief Judge to address the protest.

Protests must be accompanied by the approximate equivalent in local currency of US Dollars 100.00 - This amount will be refunded if the protest is considered reasonable or upheld by the Judges.

All judges must be at the Chief Judge's station immediately following the last event each day and will remain 20 minutes after the release of the official results to answer questions. Protests will be handled by the Chief Judge and the 3 judges involved in the respective event. In the case of other protests, i.e. heat protests, timing, etc., such protests shall be handled by the majority of judges.

A correction of an error in the computation of scores shall not be considered a protest and the correction shall be made on the approval of the Chief Judge and Calculator within 20 minutes after the results are announced, and Boat Judges' scoring sheets have been made available for inspection. The inspection of scoring sheets will be done only in the presence of the Judges scoring that particular event.

16.0 RULE 16 USE OF VIDEO

Due to the subjective scoring nature & spirit of wakeboarding, video footage of any kind will not be used by Judges, riders or team representatives to resolve any disputes. Judges will not view not view or comment on any video footage during the event.

17.0 **RULE 17 COMPETITION FORMAT**

17.1 **General:**

Each rider shall be allowed two passes through the wakeboard course during which time he may perform any routine he chooses. He will be judged on subjective style categories, to arrive at a single combined score.

Judging of the routine begins when the rider enters the wakeboard course and ends when the rider exits the wakeboard course, falls for a second time, or completes his double-up (finals only).

Riders are encouraged to perform a smooth flowing routine with a wide variety of tricks. Each manoeuvre should be different and executed as cleanly as possible and taken to its limit.

Boat (scoring) Judges: Chief Judge will designate three boat judges, to be seated in the tow boat, to score each riders routine.

17.2 **Scoring:**

Judges will award a maximum of 100 points to each rider based on their overall impressions of the routine performed. Each individual heat per division will be judged independently from the other heats on the day. The judges will score the first rider of the heat subjectively and each subsequent rider's performance after that rider is judged higher or lower dependant upon their ride. Judges are required to both score and placement a rider in within each heat.

The judges will score each rider in each of the following categories:-

Execution - 33.3 Points

This reflects the level of perfection to which each manoeuvre was performed, as well as the successful completion of the routine with a minimum number of falls.

Intensity - 33.4 Points

This reflects how big the moves were performed, as well as the technical difficulty of the tricks executed.

Composition - 33.3 Points

This reflects the overall composition of the routine in terms of the rider's ability to perform a variety of manoeuvres in a flowing, creative sequence

17.3 Calculation of Scores:

The Average method of calculating will be used. Scores from all categories of a rider's routine are added together to produce a judge's total score. All three judges' total scores are then averaged to produce a final score for a rider.

17.4 Placement

Calculation scores will be cross-referenced to the judges' placement of the rider. The judges' placement of the rider will always override the judges total score of the rider.

17.5 Signing Off

In addition to the chief calculator and chief judge signing off on results sheets, the three boat judges must also sign off on the results sheets.

18.0 RULE 18 WAKEBOARD COURSE

18.1 Course Buoys:

Buoys to be used for the wakeboard course must be of the following specifications:-

18.1.1 Only inflatable buoys may be used, and they should be made of a lightweight, pliable material with smooth exposed surface.

18.1.2 Color of buoys shall be selected for maximum visibility. A fluorescent orange paint must used for the start buoy and fluorescent green paint is recommended for the cut-off buoy

18.1.3 Start buoys shall not stand be more than 1 metre high above the waterline.

18.1.4 Each buoy shall have a strong loop for attaching anchor lines. The buoys must be attached to the anchor line by the use of a system that will tighten the buoy in such a way as to ensure that it does not move around from its position.

18.2 Course Dimensions:

A start buoy shall establish the approximate area of the beginning of the wakeboard course from each direction. The end of the pass shall be signified by an end buoy. The distance from the start and end buoys will be a minimum of 370 metres. These course dimensions will be used where practical. Bright orange buoys are recommended for the start and end buoys

18.3 Cut-Off buoy:

A cut off buoy will indicate the point after which the tow boat will not be able to get up to speed for a rider to continue his run in the second pass. Bright green buoys will be used for the cut-off buoy. The position of the cut off buoy will be determined by the Chief Judge and Chief Boat Driver. The cut-off buoy will not be used in finals where there is a double-up.

18.4 Proceeding through the two wakeboard passes:

The boat shall follow as closely as possible the path specified by the Chief Judge for the event, such path to include the preparation time before each pass. The second pass shall be in the opposite direction from the first pass.

18.5 A rider's routine will begin when he performs his first trick at, or after the start buoy.

18.6 A rider's routine will end: when he falls for a second time or when he passes the end buoy. A rider's last trick will be scored if he leaves the crest of the wake before passing the end buoy.

18.7 Swimming on Course

Any rider who swims down the course to gain advantage over a fellow competitor will not be picked up. This will be the end of his routine.

Diagram 1 - OFFICIAL WAKEBOARD COURSE

19.0 RULE 19 DOUBLE-UP

Only Junior Men and Open Men who qualify for the finals may be given a double-up.

It is the sole responsibility of each competitor to communicate to the driver before leaving the dock whether he would like a left or right double-up (see Diagram 2), and where the double-up will occur in the course.

Re-rides will not be granted due to any miscommunication between the rider and driver.

In the event that the boat provides a double-up in an incorrect direction, the rider must wave off the double-up and not attempt any manoeuvre. If any manoeuvre is attempted, which includes cutting at the wake, the rider will be deemed to have accepted his double-up. If a rider waves off the double-up, the boat will then turn around, and proceed with a double-up in the correct direction. Re-rides will not be granted for turbulent water in this instance.

If a rider's first fall occurs beyond the cut-off buoy, the boat will then immediately proceed with a double-up for the rider.

20.0 RULE 20 OBSTACLES

Organisers are encouraged to use obstacles that are of structural integrity, adequate in floatation and stability and safe in design and where practical and possible be adapted to the site conditions and logistics.

The Chief Judge will make a final decision on whether the obstacles meet the above criteria.

The Chief Judge will make the decision where to place these obstacles in the wakeboard course. Riders are encouraged to hit these obstacles to add variation to their routines.

The obstacles may also signify the beginning of each routine depending on where they are placed.

Obstacles must be approved prior to the world championships and a diagram or picture where possible will be distributed in Bulletin #2.

21.0 RULE 21 BOAT SPEED & ROPE LENGTH

Each rider shall receive his choice of a constant speed through the course for each pass, and preferred rope length. The boat speed, assuming it is held constant before entering the course, is the rider's responsibility.

22.0 RULE 22 FALLS

22.1 Out-Of-Course Falls:

22.1.1 A rider may have one out-of-course fall only before the start of his first pass.

22.1.2 An out-of-course fall or handle throw before the start of the second pass will count as one in-course fall.

22.2 Handle-Throw:

The rider may also have one handle-throw before the start of his first pass which will also count as one out-of-course fall.

If a rider throws the handle prior to the start of his first pass to indicate that his rope was incorrectly put on the wrong loop by the officials or Judges in the boat, it will not count as an out-of-course fall.

22.3 Obstacle Falls

Each rider will receive one obstacle and one wake fall only. A rider may have a maximum of two falls during a routine. Should a fall occur, the boat will pick up the rider to proceed with the routine. The rider will not be picked up after a second fall, or after a fall that occurs beyond the cut-off buoy in the second pass.

- Example one: A rider falls on the slider, and then falls on his first manoeuvre off the wake, the rider will be picked up. But his pass will end if he falls on either an obstacle or water trick.

	RULES	WAKEBOARD WORLD RULES
YEAR 2013		Page 21

- Example two: A rider falls off the rainbow slider, and then falls off the kicker but has no previous water falls. His pass ends

22.4 The rider must be ready to ride immediately upon the boat's return after the first fall, an out-of-course fall, or handle-throw.

23.0 RULE 23 SCHEDULE CHANGES & CANCELLATION OF EVENTS

Changes in the schedule during the competition shall be made only for weather, water conditions, safety, or a similar reason. All riders must be on-site one hour before their scheduled event time. Such changes will be announced at a riders' or team captains' meeting, and by posting on the official notice board“

The finals of each category must be completed to determine a winner, even if the Judges are obliged to continue it at a different site. If a final cannot be completed, all riders from the event will compete again where and when possible, until a winner is determined.
